

I am writing to let you know that I am an XM radio subscriber. My family enjoys XM's service and were very pleased to know that they were expanding their services. I would like you to know that I am respectfully asking you to reject the National Association of Broadcasters petition 04-160.

It would makes more sense for radio, both AM and FM and the companies that operate radio stations to become competitive and respond to consumer needs than for NAB to try and stifle competition.

I would urge you to reject petition 04-160.

Respectfully Yours,

Douglas Clark
